

MAKNA

Cancer Research Award 2010

in collaboration with the Academy of Sciences Malaysia

The MAKNA CANCER RESEARCH AWARD is an annual award. The objective is to motivate aspiring young researchers involved in cancer research. The award will be given to research proposals selected by the Academy of Sciences Malaysia. Interested researchers may now apply for the MAKNA Cancer Research Award 2010 for projects related to cancer research. The total allocation for 2010 is RM100,000. The basic requirements for application are as follows:

- Open to all Malaysian citizens with a basic degree and aged below 40 years
- Projects are to be carried out in Malaysia and must be completed within a 2-years duration
- Total fund requested must be less than RM 30,000 for each project
- Closing date: 31 July 2010

Guidelines and application form can be downloaded from
