

ArtScience Virtual Exhibition Launch and Webinar Series #2

Transcending the Arts and Sciences

The Academy of Sciences Malaysia (ASM) in collaboration with the Maybank Foundation and National Art Gallery is launching the inaugural ASM ArtScience 2020 Prize Virtual Exhibition, showcasing the winners of the Art Science Prize, the Rising Star Award and 11 other creative works that were shortlisted.

8 November 2021 . 16:00 (GMT+8)

Throughout the world, integration of science, technology and aesthetic values through diverse elements and settings has become ubiquitous.

In conjunction with the exhibition launch, ASM is organising the second episode of its ArtScience Webinar Series on Transcending the Arts and Sciences, entitled: 'Exploring the International Landscape of ArtScience'. This webinar will explore the multifaceted ArtScience scene across an international landscape, featuring speakers from Indonesia, Singapore and Malaysia who will share their perspectives and initiatives.

EXPLORING THE INTERNATIONAL LANDSCAPE OF ARTSCIENCE

8 November 2021 . 16:45 (GMT + 8) onwards

The ASM ArtScience Prize is the first of its kind established in Malaysia to nurture creativity at the convergence of the arts and the sciences and to celebrate the works of the nascent community of artist-scientists.
