## FELLOW OF THE ACADEMY OF SCIENCES MALYSIA

ASM Fellows are the nation's leading scientists, engineers and technologists recognised for their outstanding scientific and scholarly achievements.

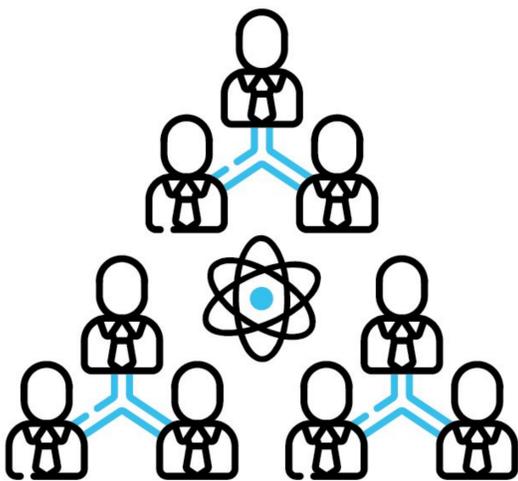

FASc

ASM Fellows are entitled to use the title **Fellow of Academy of Sciences (FASc)**.

Through ASM, Fellows contribute towards the advancement of science, engineering, technology and society in addition to providing advisory services on issues of national interest.

Every year, ASM Fellows **nominate new members** among industry experts, STIE practitioners, researchers, and academics to expand ASM's expert network.

As of 2023, ASM has

**482**  
**Fellows**

(including Senior Fellows)
